# Homeopathy and natural health for you and your family

A free talk by Dr Charlotte Mendes de Costa

Waterperry Gardens,  
Oxford OX33 1LA

Charlotte is an experienced GP who uses homeopathy alongside traditional medicine. Hear how homeopathy can help a wide range of conditions, get practical advice about homeopathic first aid and learn how to treat common childhood ailments, naturally.

This entertaining and informative talk is a must for anyone interested in improving health and wellbeing. Kindly supported by funding from the Tanner Trust.

Refreshments provided and a goodie bag for all attendees.
