

SWSWSHG presents:

HAHNEMANN'S HOMEOPATHY

The Classification and Treatment of Diseases According to Samuel Hahnemann

EWALD STÖTELER

**Tuesday April 20th 8pm on Zoom
Registered Health Professionals Welcome**

In this extraordinary new book, the developments of Hahnemann's thoughts, ideas and experiences are thoroughly researched. Author Ewald Stöteler gives us a live exclusive UK introduction.

A study into the application of homeopathy according both to the 6th edition of the Organon, and also to The Chronic Diseases, the book that Hahnemann described as his 'manual'.

Ewald Stoteler is a homeopath of 40 years' experience, an expert in applying common sense to homeopathic principles and a philosopher through and through.
